ISO SYMPHONY SCENE

As part of the Symphony Scene, enjoy unique opportunities to connect with friends, meet ISO musicians and support the region's most original professional boutique symphony orchestra. The ISO celebrates the fidelity of the world's timeless symphonic masterworks and yet stages performances in formats never before imagined. In addition to luminous one-of-a-kind productions and US PREMIERES the ISO also educates, engages and inspires more than 8,500 area students annually through its 'Next Music' Education Initiatives. The ISO is also one of the region's most civic-minded arts and culture organizations introducing ever-wider circles of music lovers annually to extraordinary live music.

BENEFITS OF PARTNERSHIP By participating in the Symphony Scene you will be supporting a professional boutique symphony orchestra that has the 'it' factor. The ISO is original in mission and product as it re-imagines the symphony experience for the next generation of music lovers. In addition to unforgettable productions, education, civic and outreach initiatives, the ISO offers members of the Symphony Scene added benefits. Please take a look at the contribution levels and associated benefits to determine which gift level is right for you!

MATCHING GIFT PARTNERS Many employers match the contributions of their employees and retirees. These gifts can double the impact of your generosity. Please check your company's human resources department to find out if a matching gift program exists. These matching gifts just may move you into a higher benefit level!

As a member of the Symphony Scene, 70% of your contribution will go directly to production of the world's most enduring music for a wide variety of audiences. You will likewise be partnering with the ISO to provide more than 8,500 diverse area students with enriching music education opportunities through the ISO's 'Next Music' Education Initiatives. These include:

- **Concerts 4 Kids** serving 6,000 5th and 7th grade students
- **eco-friendly chamber performance** serving 2,500 4th grade students
- **musician master classes** providing high school musicians with instruction from world class professional musicians
- **round table discussions** academically mentoring high school musicians.

Your contribution will assist the ISO to expand its educational programming to children in neighboring communities that have no symphony presence.
